FIRST

Pack the items well to avoid damage in transit. It is best to use the package and packing materials you received from us. Please make sure that the returned items are unused and in original condition so that we can refund the full purchase price. Items that come back to us broken or used cannot be refunded.

SECOND

please use this return form so that we can process your shipment faster.

THIRD

please make sure that your return has sufficient postage. For packages returned postage unpaid and with insufficient postage, the fees incurred will be deducted from the return credit.

Refund will be made via your originally selected payment method.
